Can you give me an idea of what topics we'll be covering? But yes, I'll ask them to attend.

Hi Carol,

Hope you had a great weekend. For tomorrow's call, would it be possible to include Cynthia or other COVID-19 treatment SMEs to follow up on some additional questions?

Thanks,  
Stanley

Sorry for delay, I wasn't able to solve this one over the weekend. We have this which is close to what you want. Thank you for the document!
